THE FORUM

The Best Practices Forum was established in 1995 in cooperation with the University of North Carolina at Chapel Hill to recognize accomplishments in the field of healthcare compliance. Since that time, the Best Practices Award has been accepted as the mark of compliance program excellence.

If you have never attended the Forum, it is unquestionably the compliance education event of the year. Unlike programs in which you are surrounded by numerous vendors, the Forum allows you to look at what others are doing successfully in their programs.

Awards are open to **any** compliance program practice provided that the practice has been implemented for at least six months. Many of the past best practices recognized at the Forum have subsequently become standard practice in healthcare compliance.

Award recipients are selected by the Health Ethics Trust Best Practices Committee, an independent committee of experienced compliance professionals.

PROGRAM DETAILS

- The Forum will be held at the **Ritz-Carlton Pentagon City, DC Metro Area at 1250 S Hayes St, Arlington, VA 22202**
- There is a group room block with the discounted rate of \$254 a night. Visit www.bestcompliancepractices.com for reservation information.
- The first day of the Forum will run from 8:30 AM to approximately 5:00 PM.
- The second day of the Forum will run from 8:30 AM to approximately 4:00 PM.

Over the course of this annual two-day event, each Best Practice Award Winner, as selected by the Trust's Best Practices Committee of working compliance officers, will present their winning practice to those in attendance. Best Practice presentations are supplemented by a distinguished faculty of government and sector compliance experts.

COMPLIANCE PROGRAM ASSESSORS COURSE

The one day **Compliance Program Assessors Course** will be offered following the Best Practices Forum on October 17. The Health Ethics Trust is the leading provider of compliance program assessments. This course teaches our widely adopted compliance program assessment methodology and addresses all elements of compliance program assessment.

Graduates of the Compliance Assessor's Course are eligible to participate in our peer review process leading to Compliance Program Certification. Qualified Assessors may participate on a review panel that judges organizations' compliance programs to determine the extent to which they meet Program Certification standards.

For more information on this limited enrollment course, visit www.healthethicstrust.com/assessorscourse or call us at 703-683-7916.

BEST PRACTICE NOMINATIONS

An independent Review Board of experienced healthcare compliance professionals judges nominations on how well they meet broad criteria for best practices. Simply put, award winners will have demonstrated that their practices are equal to the best practices implemented in any organization in a particular compliance program area. Information about the nomination process and criteria are available at www.bestcompliancepractices.com or by calling HET at 703-683-7916. The Best Compliance Practice awards are the highest level of recognition for healthcare compliance program accomplishments. All 2018 Award winners will present their best practices at the Forum.
